

About Org

NGO Name: (SPAN) SOCIETY FOR PEOPLES AWARENESS

Year of Establishment: 2009

About the Organisation: SPAN is a children and human rights organisation. It works for the social equity around the issues of education, health, food security and employment with the tribal, SCs, OBCs and Muslims. Participation (inclusion) and governance are the two cross-cutting aspects for identifying the violations and advocating the victim individual/group/community's rights. SPAN is also the National Convener of Campaign Against Child Labour (CACL) and the State Representative for Right to Education appointed by National Commission for Protection Of Child Rights (NCPCR)
