About Org

NGO Name: Sasakawa-India Leprosy Foundation  
Restoring Dignity of Leprosy Affected Persons and Their Family Members

Year of Establishment: 2006

Full Time Staff: 20

Full Time Volunteers: 6

About the Organisation: Sasakawa-India Leprosy Foundation works for mainstreaming persons affected by leprosy and their families through socio-economic empowerment, thereby fighting stigma and restoring dignity. Our area of focus are: • Providing technical support and micro grants for setting up micro enterprises for self-employment • Providing access to vocational training and higher education • Empowering leprosy affected people to access government welfare schemes. • Raising awareness about leprosy among all sections of society to fight the fight the stigma • Engaging with opinion and policy makers for their rights and inclusion. In the last 11 years since inception, we have impacted the lives of 6000 leprosy affected people directly.
